

Partners in Prayer

January - February 2007

*"The eyes of the Lord your God are always upon it, from the beginning of the year to the end of the year."
- Deuteronomy 11:12b*

Praise:

- More than 2,000 students took Bible history the first semester.
- For the parents of Bible history students who have shown support for the program by offering to volunteer where needed.
- For the teachers who are passionate about teaching Bible history to their students.
- God has given us two new and exceptional office employees - Mrs. Mary Jane McBride and Mr. Ron Haley.
- For the beginning of a new semester in which Bible history is being taught in 19 Hamilton County public schools.

Prayer:

- As one teacher shared, *"Students in dysfunctional families in a dysfunctional society in a dysfunctional world."*
- January is the beginning of a new school semester. Teachers ask for prayer regarding the new semester and the new students.
- One teacher requests prayer for a relationship with a student that has had conflict in the past. Pray the student will be open instead of bitter and angry.
- Middle school students have their own unique "peculiarities." Pray for patience and understanding as the teachers deal with negative attitudes.
- Pray that teachers will have a positive impact on their students.
- Pray for several schools that have some major drug problems within the student body and that have fighting among gangs.
- Pray that the teachers would meet all difficulties within the classroom with a peaceful spirit.
- Steve Clinton is recovering from knee surgery. Pray for his recovery and the health of all the teachers.
- Because of health problems, Carolyn Owens is taking a six-week break from teaching. Pray for her recovery and for her substitute teacher.
