

Partners in Prayer

September - October 2007

*"I have not
stopped
giving thanks
for you,
remembering
you in my
prayers
- Ephesians 1: 16*

Praise:

- That the Bible history teachers have a real passion for what they are doing.
- Two new teachers were hired this year - David Adels at Ooltewah Middle School and John Perkins at Brown Middle School. Both of these men are outstanding additions.
- It's always "nip and tuck" in knowing if we will end our financial year with all obligations met. We have received the final accounting report from the Hamilton County Department of Education and we had just enough money in the bank to make the final payment. Thank you for your financial support!

Prayer:

- Several teachers have not been feeling well. Pray that God will give them the strength to teach each day.
- Two teachers have a new group of students every 4 weeks. Pray that they will be able to present what the students need to know in that small amount of time.
- Pray that there would be few distractions and interruptions for class time, whether it be disruptive students, lack of air conditioning or heat, lights, or anything else.
- Pray that each student will acquire a true interest in the Bible.
- In looking to the future, volunteers for the new Signal Mountain Middle High School and Sale Creek Middle High School are beginning to raise funds so that Bible history teachers can be placed at these schools for the 2008-09 school year.
- Many Bible history teachers are also involved in coaching, clubs, and other student activities. Pray that they will build good relationships with the students.
- Some of the teachers have family members that are struggling. Pray that those who are sick will be healed and that those who are unemployed will find work.
