

*“Train up a
child in the
way he should
go: and when
he is old, he
will not depart
from it.”*

~Proverbs 22:6

Praise:

- Praise that one of our teachers finally after 8 years will have a classroom of her own.
- Praise and appreciation for all the sacrifices and efforts of the Bible history teachers this past school year.
- Praise for favorable consideration of four of the five grant requests we recently made.
- Seven new Bible in the Schools board members were recently elected. Pray that God will equip them to bring their talents and gifts to this program.
- Our school superintendant recently stated that, *“Bible history is one of the most popular electives in our schools system.”* We are thankful for the commitment shown by our public school administrators and school board to keeping and promoting Bible history electives in our schools.

Prayer:

- Our financial year ends July 31st and we are currently estimating a significant financial deficit for the year. Pray that in these difficult economic times, Bible in the Schools will receive the donations needed to fulfill our commitment to the Hamilton County Department of Education.
- Pray that the teachers are having a refreshing and renewing summer break.
- Continue to pray for wisdom for the Bible history teachers that are retiring. Pray for God's direction.
- Pray for all the efforts and arrangements currently underway for the Signal Mountain church-based community fund raising initiative.
- Pray that the change in administrators at some of the Bible history schools works out well for the teachers.
- Some schools are changing their teaching schedules - such as Bible history being offered as a nine week elective instead of a semester course. Please pray that the teachers will have wisdom as they adjust their lesson plans.
