

Partners in Prayer January - February 2010

*Cast all your
anxiety on him
because he
cares for you.*

1Peter 5:7

Praise:

- Praise that a key donor luncheon held on November 18 went well.
- Praise for the strong participation of students in Bible history classes this year.
- Praise for the opportunity to present the Bible to an estimated 3,400 students this year, about half of whom have had little or no previous exposure.
- Praise for a talented and committed group of teachers this year.

Prayer:

- Pray for continued wisdom and guidance for our teachers.
- Pray for the students' personal lives as some have lost parents, gone through their parents divorcing, and are just searching for meaning to their lives.
- Pray for the success of a second key donor luncheon to be held on February 10.
- Pray that God will use the new Bible in the Schools video as an effective tool in communicating the program and as a means of building interest and support among existing and new donors.
- Pray for discernment as we develop plans for possibly expanding the number of schools for the 2010-11 school year.
- Pray for our teachers to have opportunities to continue "formed" relationships.
- Pray for this new semester and the new students that will be in the Bible history classes - that they will be eager to learn and will be attentive.
- Several teachers will be teaching high school students for the first time this semester. Give them wisdom in dealing with high school students.
- Pray for Doug Stromberg as he retires after serving and re-shaping Bible in the Schools for the past 7 years.
